1/ 50% State financial participation. 2/ 100% State financial participation. 3/ Amount reduced as authorized CAP has been paid.
Note: Wayne County figures includes Special Projects.

The data included in the attached recoupment tables should be viewed with caution as the reliability of the data is questionable, particularly July, 1993 through September 1993. The data source is the GH-290/292 and GH-400 reports.

The substantial increase in amount recouped in March, 1993 is due to income tax collections. The decreases in April, 1993 through June, 1993 are seasonal. Recoupments in FY 1993 exceed those of FY 1992.
